PERSHING'S MEN TAKE BANDITS.

Operating as Far South as Namiquipa, Cavalry Capture 16 Mexicans.

EL PASO, Texas. Sept 19,-Army motor truck drivers arriving at the border said that an American cavalry squadron operating 15 miles south of Namiquipa, surrounded and captured a band of 16 bandits. One of the prisoners, according to the report, revealed the hiding place of a quantity of arms and ammunition. Prisoners and munitions are said to have been brought to Colonia Dublan in motor trucks. This report follows one to the effect that Gen. Pershing, on information that a small party of armed Mexicans was operating below Namiquipa, had despatched a battalion of the 24th infantry by motor trucks to reinforce the American garrison at that point.
